Some months I look at the calendar and scream "OH NO! I need to write the newsletter" I did that on Wednesday the 3rd. I really wanted to get it done on the fourth. That did not happen. So I'm sitting here during an ufo trying to at least get started so that tomorrow I won't have quite as many things to do.

It's so hard to believe that we are doing the August calendar. The next thing will be us complaining about how cold it is and how close the holidays are!

Fall Retreat has only 3 spots left! If you want to go I'd highly suggest you register. I have taken the pages off the newsletter to save ink. If you need them just email me and I will send you the pdf!

I told you last month we had some exciting news! Well, after one of my friends asked me to do a memory quilt from her father in law's shirts (Hi Tara!); I thought about how many people ask us if we make them. So we are going to start doing them! I will get the information on the website and Facebook and Instagram about it soon. However, our goal (Mine, Kathy and Jenn2's) is to keep this affordable for those out there who would like a quilt made. There will be a standardized pattern. (see pic). Additions will then be added to the price. We will also be doing t-shirt quilts. They will be limited in size of course.

All quilts will be a set labor fee + supplies. Spread the word! Here is a picture of the one Jenn2 made for her-

self! This is the standard pattern that we will be going with without sashing. Come talk to us and we will figure out the price!

Let's get started with our August Classes! Mom is going to do another Quilting 101 session on Mondays. She knows she has enough people interested. Are you one of them? If so get registered!

In the world of yarn, Emily will be going on vacation so we have a catch up month. There are at least 7 free sessions that you

can come too! Some are in the days and some are evenings. We even have some Saturdays! I love to knit on Saturdays. It makes me step away from the computer! So help me be bad and come knit or crochet with me! I swear I am going to start finishing some projects!

Verna has a really cute project for August. I think I might even have to do this one. She has found a really cool Embroidery Garden design that is called a Tri Fold Wallet! Make sure you read it because there will be no kit this month. Time to customize your wallet!

As a bonus Machine Embroidery class and to get you ready for next year's Three River's Quilt Show I am going to show you the technique of doing a Mariner's Compass in the hoop! I have made one sample and so has Kathy and Jenn2. Kathy will be doing the day class for me and I will be doing the Friday night! My goal is to make a real quilt and maybe actually enter it into the show. Not sure if it will happen, but it's a goal! Come in and learn and see if you want to make something bigger than just the first four blocks!

Have I bored you yet? I apparently I did Onyx!

Machine Embroidery

M.E. In the Hoop Mariners Compass: If you have been paying attention to the Three Rivers Quilters you know that their next theme for 2020 Quilt Show is the Mariner Compass. You also know I don't sew a lot. I thought how can I participate. Hoop Sisters had my solution and I am going to help those of you who prefer using your

Embroidery Machines to get involved! Come learn how to make a Mariner's Compass in the hoop! You will learn the technique and get patterns to make 3 or 4 versions! I think I have an idea what I would like to do. Maybe we can even flood the quilt show with our Compasses! You must have a machine, but any brand will do. Just have a USB! This is a TWO Week class **When: Session 1:** Fridays, August 16th and 23rd @5:30 to 8:30pm or **Session 2:** Wednesday, August 21st and 28th @1 to 4pm. **Cost: \$25 +supplies** (this price will include your designs. Knitting/Crochet: CatchupTime: This month it's all about getting things done. Emily will miss Knit/Crochet Klub this month (even though we will have one evening session hosted by Jenn) but she is making up for it by having four sessions of free knitting or crochet to Catch-up on your projects. Check the calendar to mark when YOU want to be in the store. I'd list all the projects I need to finish but there's not enough pages to the newsletter! **1)** Thursday, August 15th @5pm, **2)** Thursday, August 22nd @5pm, **3)** Saturday, August

24th @ noon and **4)** Saturday, August 31st @noon. **Cost:** \$FREE\$ Hosted by: Emily Klaczak

Sewing Circles & UFO

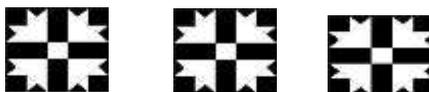

UFO nights: We have only Two UFOs this month! It's a great time to take a night for yourself and get some projects done for yourself! Just let us know you are coming ahead of time! Both UFO's this month are scheduled after a sewing circle. You could make a mini retreat out of it and sew all day! **Check the calendar** and come on in and get some of those UFO's finished!

Sewing Circles: Want to get out of the house and enjoy a day of sewing? Loosely based upon our UFO's, bring in your friends; just bring yourself! Sit in our classroom and work on those projects or start a new one. Bring a snack and bring your refreshment. Our Sewing circles are held three or four times a month. Come to one. Come to all! Stay for an hour. Stay for more! (if you need one on one help other than general help, please call ahead and there might be a charge for any teacher help). **Check the calendar for dates!**

On Demands

On Demand

Quilters Depot understands the demands in your life. Have you seen a class that you really wanted to take, but you were not able to schedule it? Have you always wanted to learn how to do a specialty item that only a quilt store can teach you? Well this may be the answer for you. We offer On Demand Classes to fit your schedule! We know how hard it is to work two or three jobs or have family obligations. If you really want that class you let us know! Contact Pauline at the store to see if class is available for on demand (not all are!) and schedule the time, class, price and the teacher. Prices vary depending but normally the cost is \$25 for one hour or \$40 for two hours. This includes Knitting, Crochet, Machine Embroidery and sewing machines bought at

other Brother Dealers or on the internet. Certain levels of Machine Embroidery might be a higher price depending on your level.
