## Jennifer's Blog

Can you believe it's July! It's actually July 4th as I write this. I screwed up my schedule so I am spending the day doing computer work! Man do I know how to party or what! However, it's so hot out I might have made the right choice to stay in the apartment and stay cool!

### Breaking Brother News!

Have you heard there is a new TOL (top of the line) Embroidery machine coming out in August! We don't have a name but we know it's going to be the most innovative machine that has ever been seen! Did you ever upgrade to the Dream or you want to be the tool man Taylor (hopefully you all know what I am talking about (I am old and that's still my favorite show of all time!)) and want the most innovative and powerful machine of all time! Then come talk to us and pre-order this new machine. We also have a promotion going on. We don't have a clue on the name. Do you? Put a guess in the jar and all the correct guesses will be entered into a chance for a Quilters Depot Gift Card!

**Have you registered** for the fall retreat? You have about two months to register. As always it's going to be a fun filled weekend! Get your registration in now!

**Ok, by now** you are wondering what's happening in August. Remember if you are in the Hoop Sisters BOM on Saturdays it's the 4th @noon for month 4! If you are doing Thursday nights it's the 9th @5:30pm. I am so close to finishing my borders!

**August has a lot of embroidery in it!** These are all things you could be doing on your new TOL! Verna will be doing a Kimberbell Fringe Flower projects. If you are a Kimberbell fan as we are at the store then you will want to come in and make this project. **Also, Verna** is letting me do my own embroidery club project class! My apartment has a lot of patriotic decorations and when I found this project I had to do it! Come in and make a USA themed project. You can find a stand for it as you see in the picture, use them as quilt blocks, placemat, or string them up and make a banner! I hope you will join

me for this Make N Take MEC project!

**A few months ago** we did a Breast Cancer Pillow charity project. I promised you it would be back this summer and August it is. Mom has several times for you to come in and help make the pillows to be donated. We will also be starting a new Charity project for our sisters in need and we will tell you about it then. Can't make it during one of the scheduled times, we have a bunch of sewing circles on the schedule also!

**Joan will be** teaching how to make a decorative pillow wrap! Don't know what a pillow wrap is? Read on and you will find out in the class descriptions! You will want to make these for every pillow in the house and your friends' houses too!

**In the world** of knitting we are doing Open Knitting and crochet! These times are free! If you are as behind as I am and have the grand of idea of making Christmas gifts for more people than you have fingers to count on this is your month! Come in with any project or idea for a project and get some work done! Emily is there to help you with any questions or problems.

Have an idea for a class you would like for her to teach. Let us know what YOU want! That's what the Depot is about, YOU! Don't forget to check out the dates for sewing circles and UFO's!

**Stay cool and as always..... Remember the one with the most stash wins** Jenn

## Quilting:

**Pillow Wrap:** This is a project that lets you dress up your toss pillows with a bit of your personal creativity. A pillow wrap is a removable “belt” that is fastened around a pillow. It can feature a special event, a holiday, a seasonal accent, a special interest or just a focal point in your room. Joan has made samples using various techniques including chenille, applique and quilt block. Each wrap is finished to be reversible so that your project can be a two-in-one with a choice of closures. This makes a great gift and is readily supported by your stash! The base fabric is either ½ yard of one fabric or 2 fabrics measuring ¼ yard each. Small pieces of batting and backing give a quilted finished look. If you’d like to give chenille a try, Joan will show you how. **Level: 200.** This is a 2 week class! **When:** Wednesdays August 22nd and 29th. **Session 1:** 1 to 4pm. **Session 2:** 5:30 to 8:30pm. **Cost:** \$25 + supplies. **Teacher:** Joan Kugler.

## Charity Project:

**Charity Project: Anti-Ouch Pillow:** We promised we would do this project again this summer! Here is your chance to come help! Please come to our special sewing Make N Takes to help sew the Anti-Ouch Pillow Pouch for Breast Cancer Patients. Pauline found the pillow to be a great comfort after surgery last year. We have fabric ready to be sewn. If you have fabric you would like to donate, we need 3/8 or 13.5” of washed cotton. We have the filling that you can use. They do not take long to sew but give hours of comfort to those who need it. You can visit the website at [www.asq.org](http://www.asq.org). The pillow/pouch will be distributed to local hospitals and treatment centers for our sisters! If one of these times do not work, let us know you are coming to one of the sewing circles to help out! **Level 100. When:** 1) Friday, August 10th @1 to 4pm, 2) Tuesday, August 14th @1 to pm 3) Monday, August 20th @10:30am to 1:30pm, 4) Friday, August 31 @ 5:30 to 8:30pm. **Hosted by:** Pauline and staff!

**Don't forget:** Jenn does long-arming and Cynthia does memory/t-shirt quilts. Come talk to either to get your quilting needs met. Or even better yet learn the skills you need to join the fun!

## Make N Take: MEC

**Make N Take: MEC Edition, USA:** This is a special Machine Embroidery Club in Edition to Verna’s monthly club. Jenn found an awesome patriotic project and wants you to come make it with her! Make it using a stand as the instructions do or use your imagination and make them into a quilt, placemat or banner! You will complete this in one class! All machine types are welcome. You just need a usb. You do need a 6x10 hoop! If your machine doesn’t have that hoop it’s a great time to get a new Brother! Give me a week and you could have your new baby for the club! **When:**

1) Friday, August 10th @5:30 to 8:30pm, 2) Saturday, August 11th @noon to 3pm, 3) Saturday, August 25th @9am to noon. **Cost: \$24.99** Includes Design and kit. Stand not included. Please sign up in advance so I have enough kits made! If you want a stand we can order them!

**Hosted by:** Jenn Shushnar
